

BELVITA LEADING WELLNESSHOTELS SÜDTIROL

Premium well-being in South Tyrol

The Belvita Leading Wellnesshotels Südtirol hotel cooperative is synonymous with luxurious relaxation, healthy indulgence, and exclusive holidays in South Tyrol's most beautiful locations. Established in 1995 by visionary hoteliers, this collection of family-run wellness hotels in the 4-star superior and 5-star categories quickly became a successful model in Italy's tourism sector.

Excellence in quality as a core principle

South Tyrol's leading wellness hotels place the utmost importance on their guests' well-being. Excellence in quality and service is central to their cooperation, supported by regular independent, anonymous quality checks that ensure these standards are met. The philosophy of the member hotels is built on four pillars: Well-feeling, Spa, Fitness, and Vital Cuisine.

WELL-FEELING

The Belvita Leading Wellnesshotels Südtirol provide a bespoke experience, meticulously tailored to meet the individual needs of each guest. A variety of well-being programmes for both body and mind enhance every aspect of the holiday, while personalised service creates a warm and welcoming atmosphere.

SPA

Luxurious wellness areas, complemented by top-tier spa treatments and innovative wellness concepts, promise a holistic experience that nurtures both body and mind. Only the finest locally sourced natural cosmetics are used.

FITNESS

Exercise as a key pillar of physical and mental well-being: This belief inspires a wide range of sports and activity programmes, expertly led by experienced trainers and fitness coaches. Additionally, spacious, modern gyms offer the perfect environment for personalised workouts.

VITAL CUISINE

Alpine-Mediterranean flavours seamlessly blend with light, vibrant gourmet cuisine at the Belvita Leading Wellnesshotels Südtirol. Each dish is crafted with passion, using fresh, locally sourced, and seasonal ingredients for a truly refined experience.

Tailor-made services to meet all needs

South Tyrol's leading wellness hotels strive to offer guests an exclusive, personalised getaway tailored to their unique needs and desires. To enhance this experience, four quality seals have been introduced: Premium Spa, Active, Romantic – You & Me, and Family. These seals identify member hotels that provide specialised services in these areas, going beyond the already exceptional Belvita standards.

Family-run for generations

One of the key prides of the Belvita Leading Wellnesshotels Südtirol cooperative is that its member hotels in the high-end segment have been family-run by South Tyrolean hoteliers for decades. This not only ensures continuity but also plays a crucial role in fostering the warm, personal atmosphere that defines Belvita. As a result, guests are sure to enjoy an exceptional holiday experience centred around luxurious well-being, exceptional cuisine, and revitalising activities.
